Philosophy

It is our philosophy in coaching to develop athletes to reach their full potential as individuals and to learn to bond as a team. In bonding as a team, there must be complete trust in your coaches and your teammates.

In order to achieve success, we as a team must be:

- a) committed
 - b) hard working
 - c) coachable and
 - d) team players
-
- a) **Committed:** Our athletes must be committed to the team attending all practices, games and team functions. Any absences need to be pre-approved by the coaches. Athletes are asked to call their Coaches ahead of time to let them know of absences.
 - b) **Hard-working:** The athletes must work hard at each and every practice. You will be challenged both physically and mentally
 - c) **Coachable:** It is important that athletes are coachable. They need to be willing to try new things or positions to learn and to accept corrections. This is essential in order to improve and become better each and every day
 - d) **Team players:** Being a team player and being a close-knit team is critical for success. Players need to cheer for one another and accept their roles. If a player's role, prior to provincials or nationals, sees him coming off the bench to contribute, they must accept this role and to be ready to contribute with that role. Not everyone can be a starter on a team with 6 starters starting each game.

We feel that these four characteristics are extremely important for team success. But even more importantly they are valuable life skills. Being strong in these areas will help the boys become better people.

It is important that the athletes have a positive and memorable experience. Meeting new friends, sharing good times, and experiences are one of the greatest outcomes in sports. We will strive to make this volleyball team a positive, memorable, and rewarding experience. His practice time will be a very important time in his development, not just game time!

Costs

A \$10.00 tryout fee will entitle the athlete to a minimum of 2 tryouts to determine roster size and make cuts if necessary.

******If your son is successful in making the team following the last tryout a pre-payment of \$250 will be due for 14U, 15U Nationals. THIS MONEY IS NON-REFUNDABLE AS THE COSTS FOR NATIONALS HAVE BEEN PREPAID AND FLIGHTS BOOKED ALREADY**

A Club meeting will take place – **Wednesday, January 15th, 2020 at the Comp at 6:30 PM in the Cafeteria** to discuss the season and collect full or half fees. **All families must have a representative attend this meeting. Sizing for Royals Gear will happen this night as well.**
